

We want to sell more good seeds this season than ever before, for it means better crops, more money and better times for all of us. You will find the quality of our seeds to be the best. Seeds are cash—Advt.  
Jere Whitson Hdwe. Co.

## There's A Reason

why you should sell us your produce.

Because we pay the highest market prices in cash for Eggs, Poultry, Furs, Wool and all kinds of produce.

### SAXTER SEMINARY

The pupils are very busy at the present preparing for the closing exercises. The first entertainment will be given next Friday night, week, April 9, and the second Saturday night, April 10. On the following Wednesday, Thursday and Friday nights the rest of the program will be finished. We are hoping that these will be successful entertainments. A small admission fee will be charged.

The death angel visited and claimed for its victim, Ellis, little son of Rev. J. W. L. Sandusky, last Thursday morning. We extend our sympathy to the family. His brother four days previous passed away, these being twins. The academic room furnished the music for the funerals; other rooms donated bouquets and wreaths of flowers. Both children and their father were students in school this spring.

### COOKEVILLE, ROUTE 7

Misses Retta and Mary Willie Moore and Miss Beulas Curtis visited Miss Ruth Moore last Sunday.

Born to Mr. and Mrs. Golden Lewis, twin boys, March 28.

There will be preaching at Hardy's Chapel the third Sunday in April.

Mrs. Louisa Curtis is spending the week with her son, D. A. Curtis.

There will be preaching and Sunday school at Dodson's Chapel next Sunday, and also prayer meeting Sunday night.

Henry Moore and wife went to Algood one day last week.

Mr. and Mrs. Elisha Nelson visited Mrs. Martha Nelson last Sunday.

LONESOME KID.

Faults are afflictions, hence the propriety of being lenient with sinners.

Social systems are often tolerated only through the prevalent ignorance of true political economy.

## Here, Do You Hear?

We are still in business at the same place with a much larger stock than ever before. Come and see and give us a chance to furnish you your supplies on a fair deal. We are still going to enlarge our stock in the near future so it will pay you to investigate our stock, such as Groceries, General Hardware, Farm Implements, Wagons, Notions and Ready-to-Wear Goods Fertilizer and Oil River Salt.

Yours to live and let live,

COOKEVILLE TENNESSEE

I have noticed, however, that the man with the most backbone usually has the fewest friends.

# What men who do big work say about overalls—

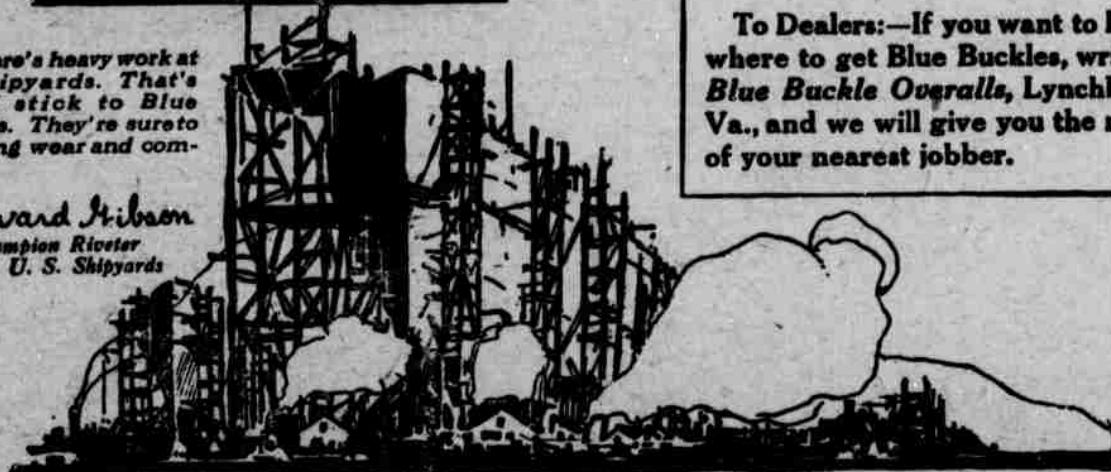

"I've tried a lot of overalls, but of all I've worn, give me Blue Buckles every time. They always give long wear."

Frank M. Bullloch  
President of the Iowa Corn and Small Grain Growers' Ass'n.

"There's heavy work at the shipyards. That's why I stick to Blue Buckles. They're sure to give long wear and comfort."

Edward Gibson  
Champion Riveter  
U. S. Shipyards

**FRED McCULLOCH** is one of the biggest corn growers in his state—Edward Gibson is the champion riveter of the U.S. Shipyards—James Heberer runs the Twentieth Century Limited—these men know their jobs from top to bottom

And they know what to wear on the job. They know how much good, strong, comfortable overalls mean when you do big work.

That's why all three wear Blue Buckles. That's why more men wear Blue Buckles than any other overall in the world.

Tough, longest-wearing denim, sewed with wide, double-stitched seams, goes into every pair. Blue Buckles are big and roomy. They never rip or bind. First-class workmanship makes every detail about Blue Buckles right. They have heavy riveted brass buttons, best quality buckles and loops, a solid back-band, big, convenient, reinforced pockets, and extra wide suspenders. All Blue Buckle coats have free swing, raglan sleeves.

Ask your dealer for Blue Buckles.

To Dealers:—If you want to know where to get Blue Buckles, write to Blue Buckle Overalls, Lynchburg, Va., and we will give you the name of your nearest jobber.

"I wear Blue Buckles on every run. They're tough as raw hide and fit easy all the time."

James Heberer  
Engineer of the Twentieth Century Limited
